

TEAM APP

WHO ARE WE?

Team App is a platform that allows clubs, teams, groups, or leagues to improve communication by creating their very own customised smartphone application.

Many More

OUR FEATURES

available to the clubs

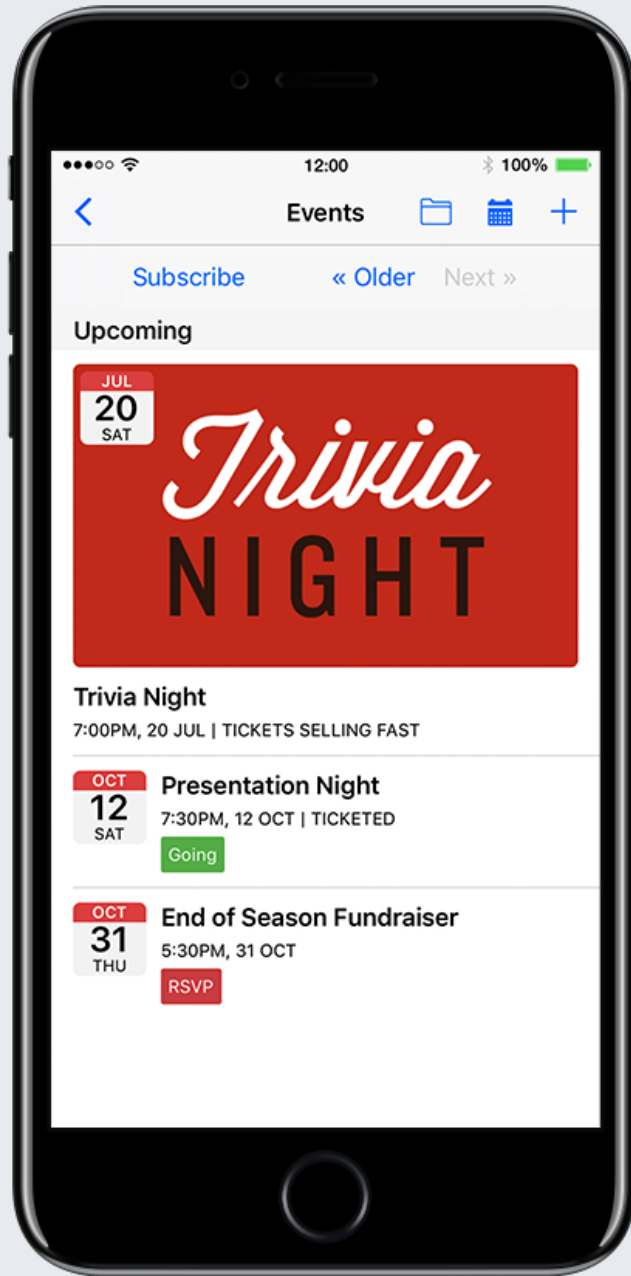

NEWS

Receive news and information about your club. You will receive **push notifications** whenever an admin posts something new.

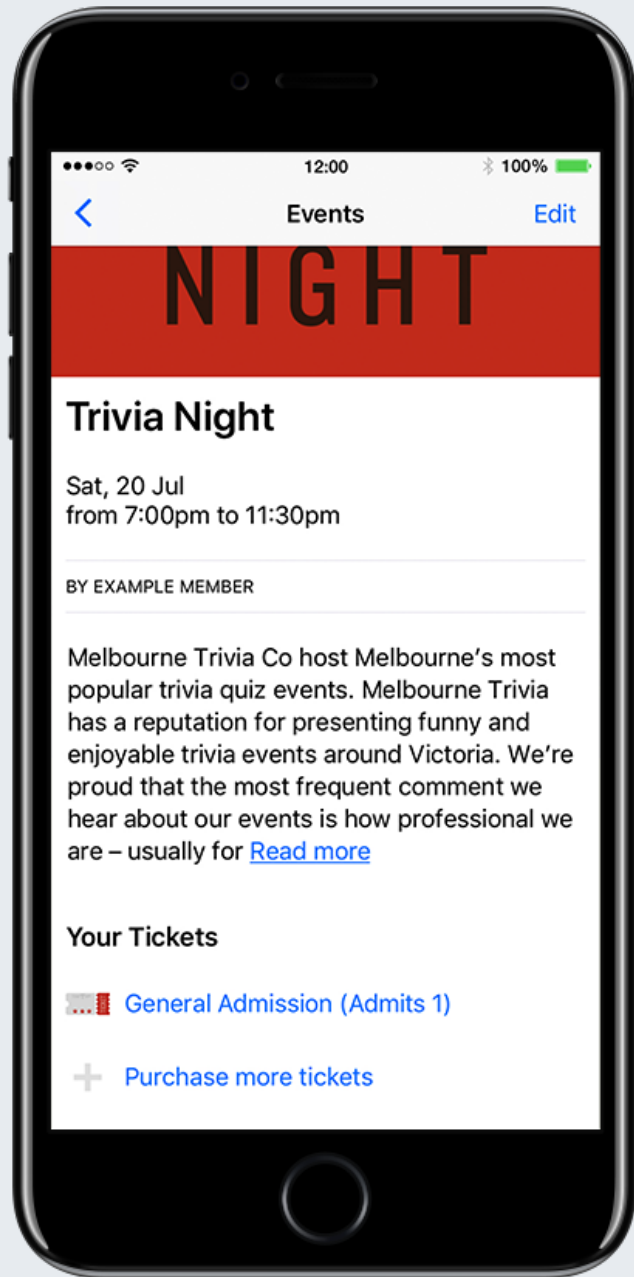

- Instant news and information shared
- Push Notifications
- Real Time Messaging
- Photos / Videos
- Members can comment on articles
- Share with your own Social Group

EVENTS

Get notifications and **reminders** about key dates in your clubs calendar, such as presentation nights and social gatherings.

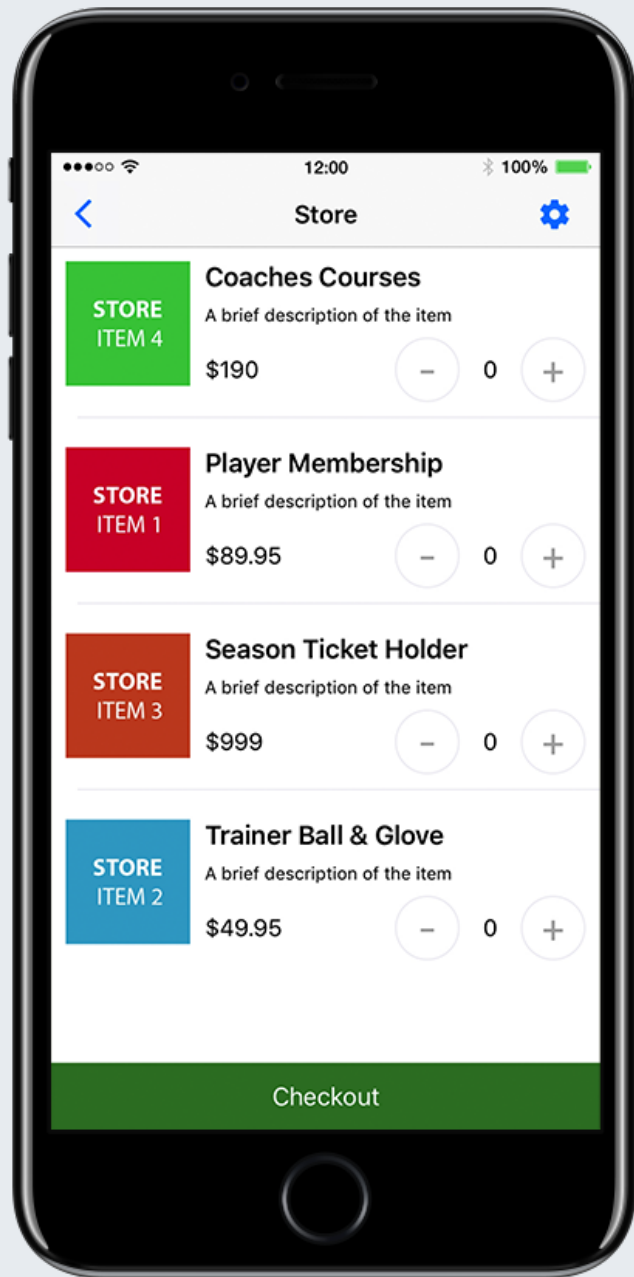

- Calendar Subscriptions
- Promote Social Events
- RSVP & Custom Questions
- Attendance Tracking
- Location Directions (Google Maps)
- Recurring Events
- Ticketing

TICKETING

Team App ticketing provides a simple & secure way to sell tickets for club events directly via your app.

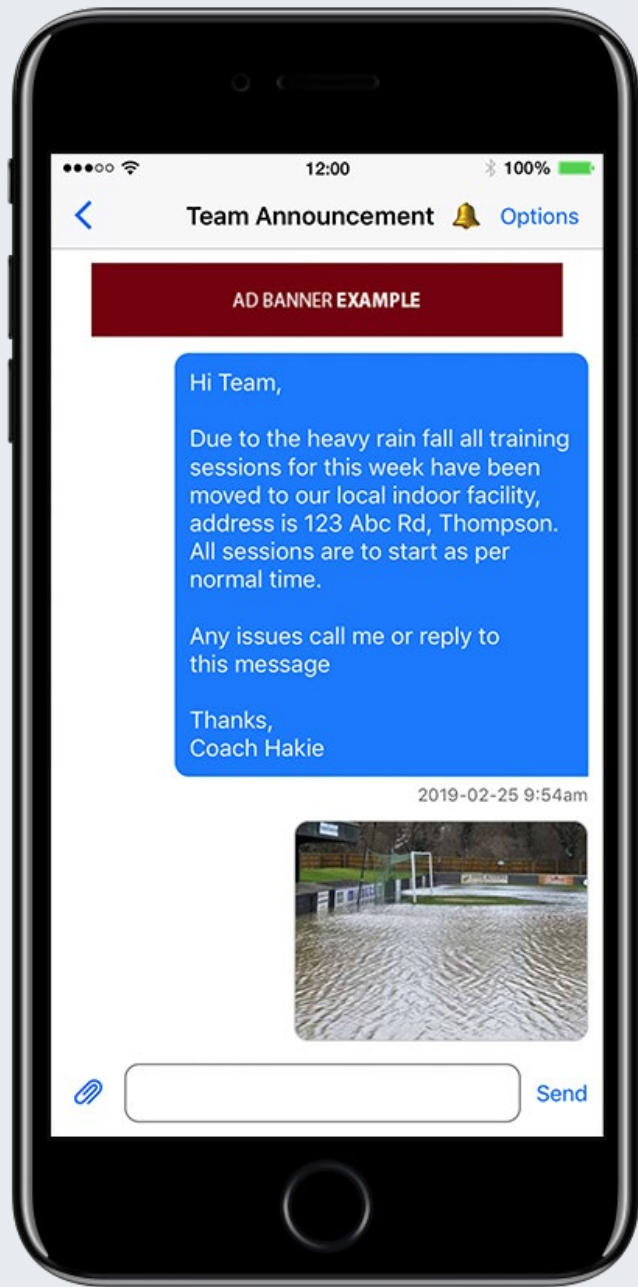

- Create ticketed events for your functions, game entry, fundraisers or anything you can think of.
- Members receive electronic ticket with their app & via email
- Team App's unique built-in barcode scanner
- Set ticket limits, collect payments, scan entry, view progress reports, manage reporting and more.

STORE

Allows you to accept payments or sell items relevant to your club. These might be membership fees, team merchandise or tickets for a fundraising event.

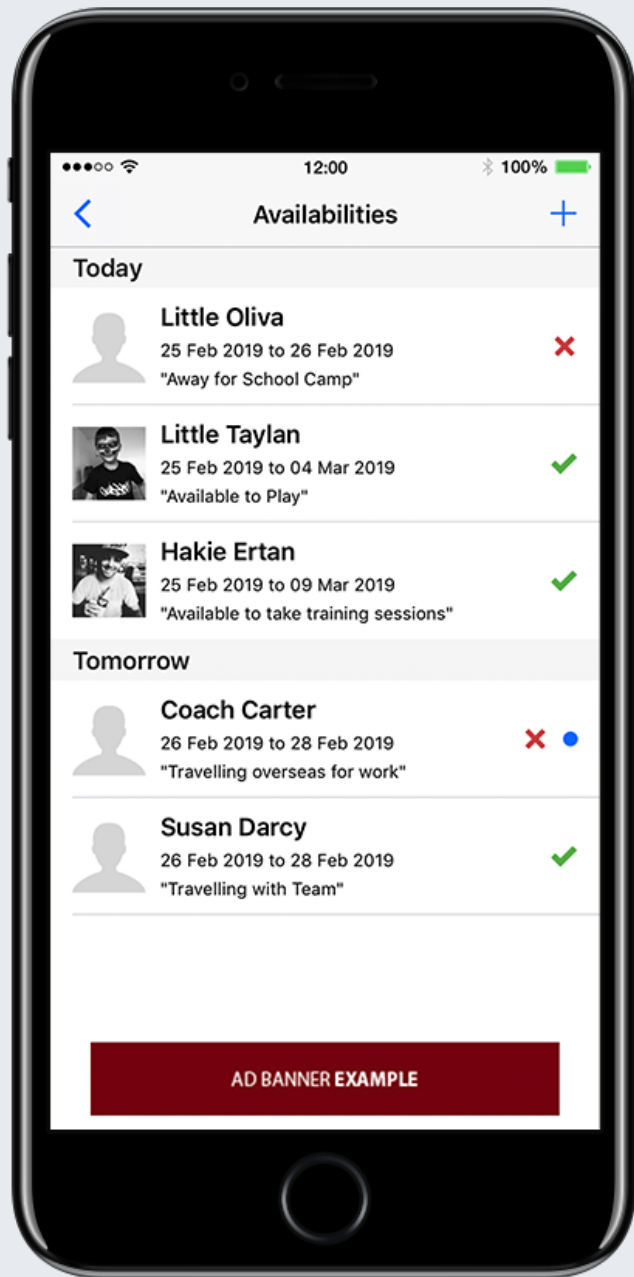

- Create your own e-commerce platform
- Take credit card payments
- Analyse payment history
- Payments straight into your bank account
- Payment gateway is with **stripe**

CHAT

Discussion groups created and displayed in your App. This is a great way to add a social element to your club. You can restrict access to chat rooms through group settings.

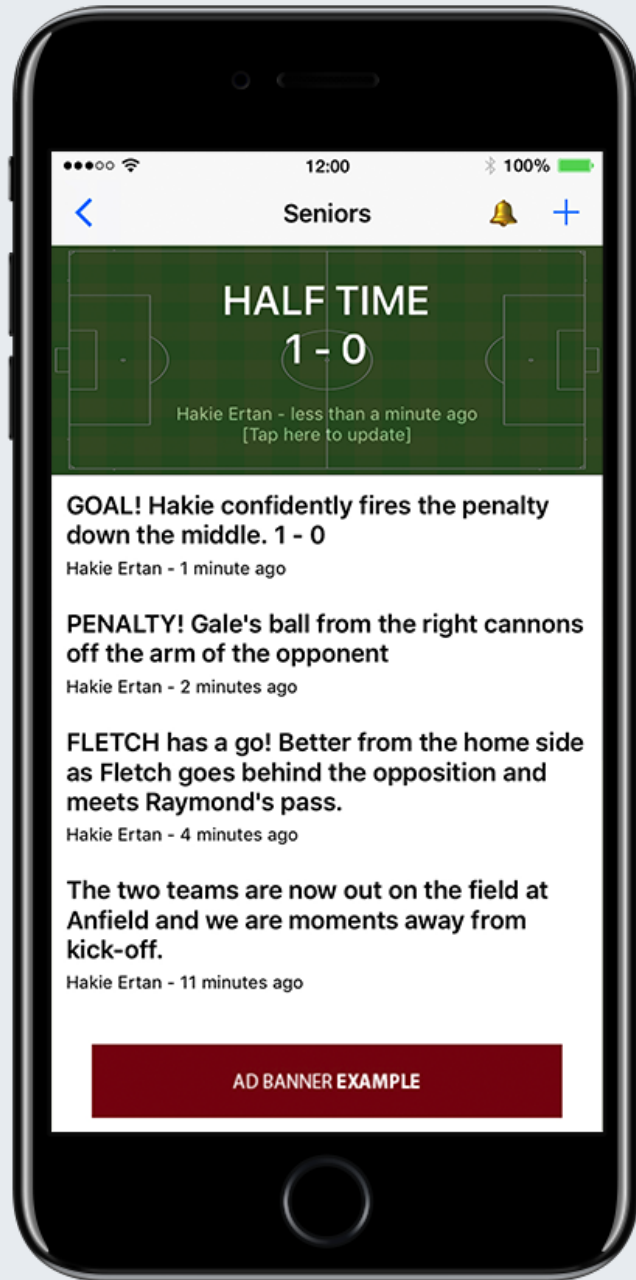

- Private or Group Messaging
- Read Receipts
- Instant Communication
- Approved Members Only
- Content Control

AVAILABILITIES

A great way to **keeping track** of member availability, as it allows a players, parents, coaches & club admins to enter a range of dates if available or not available to attend.

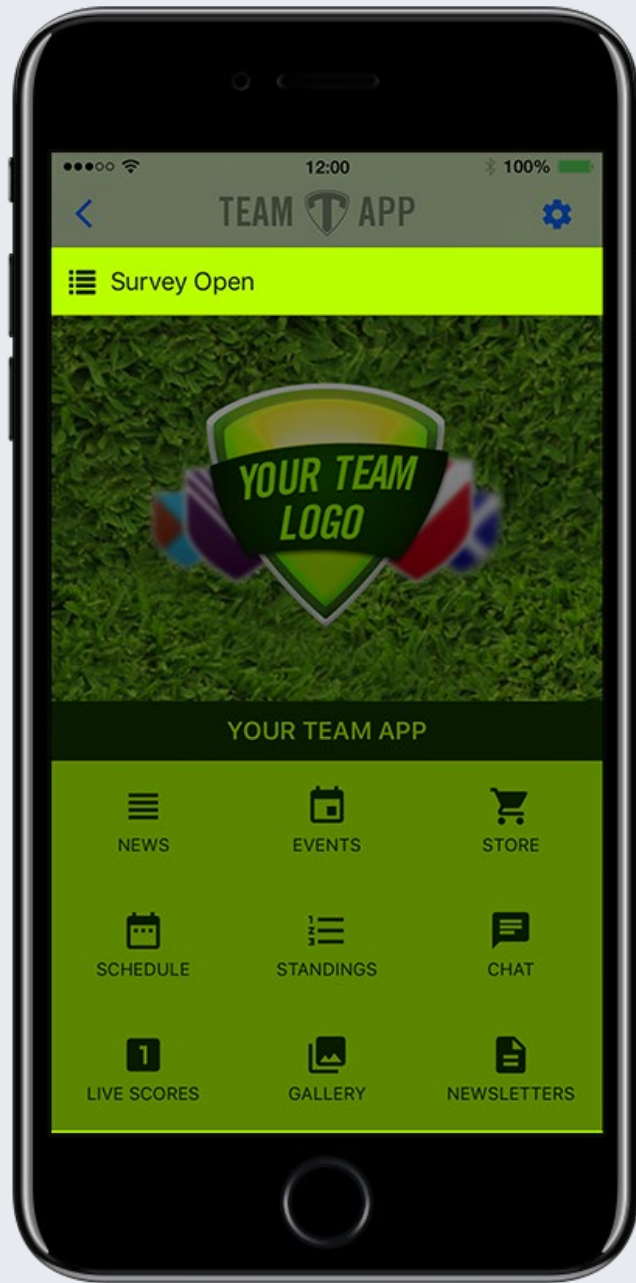

- Know in Advance
- Available or Unavailable
- Manage your team effectively
- Better Planning

LIVE SCORES

Link directly through to a web address (URL) from your association, or select manual entry mode and any member of your app or only admins can share live scores as they happen.

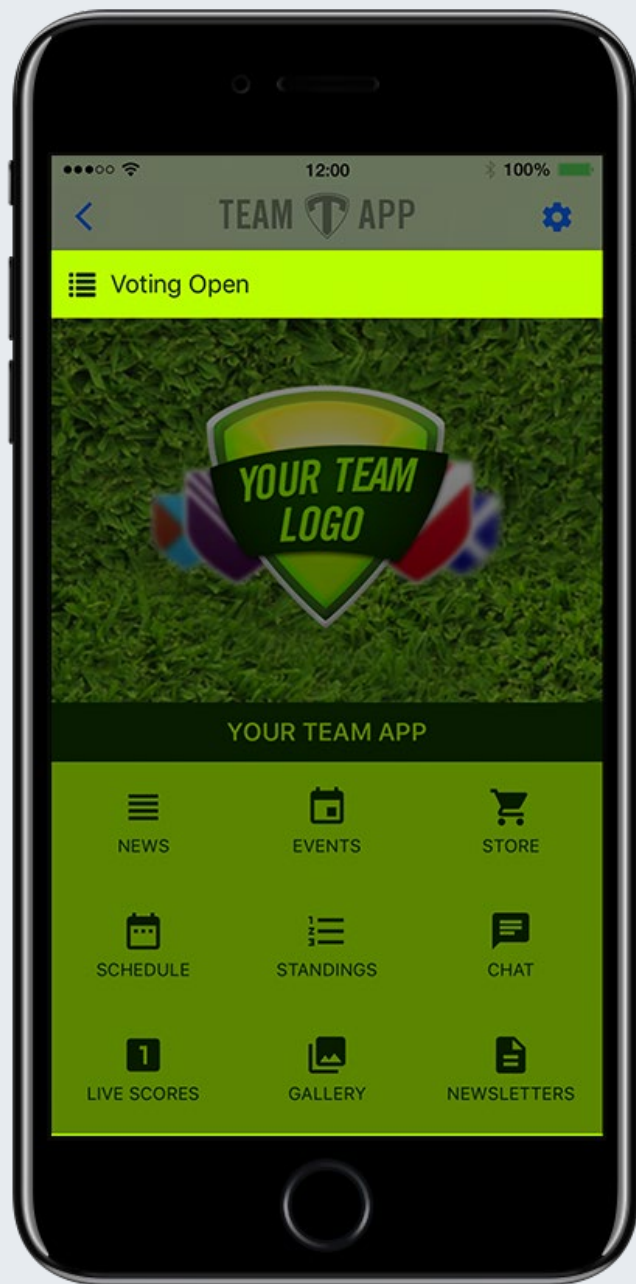

- Follow favourite group live
- Race Alerts (notifications)
- Competition Updates
- Share the task / responsibilities

SURVEY

A simple poll? In-depth market research? We've got you covered. Create any type of survey—from simple to sophisticated—with our powerful and easy-to-use survey builder.

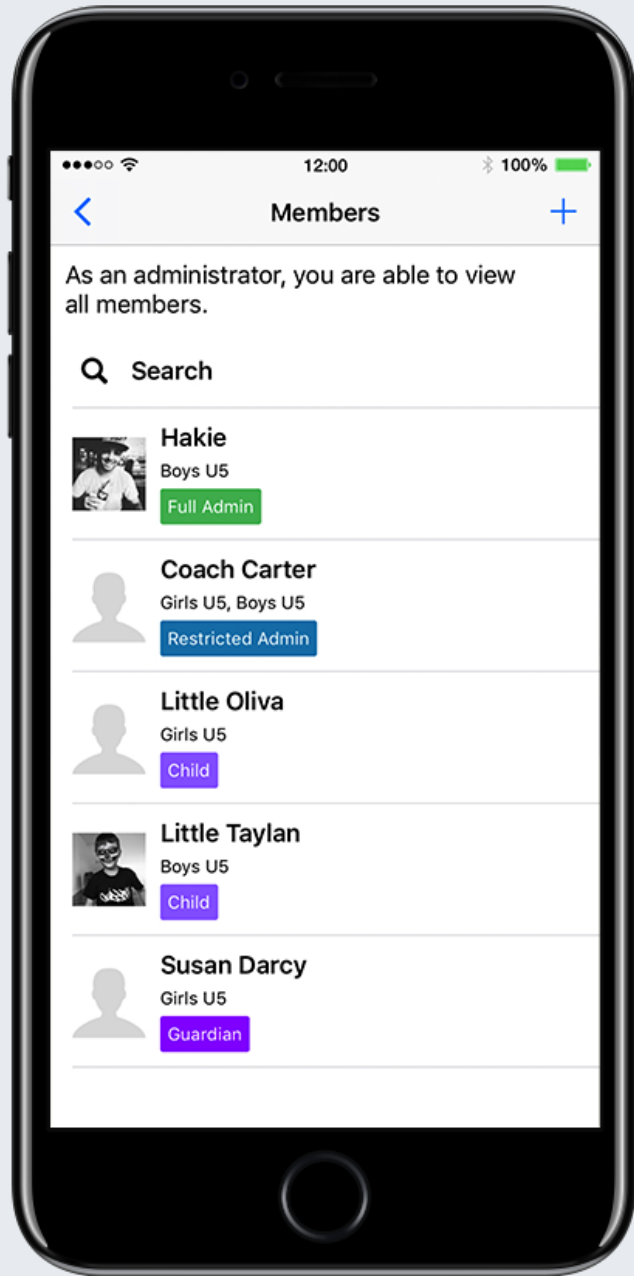

- Survey your members
- Multi-choice or Free Form Answers
- Analyse Results
- Share with members

VOTING

Imagine the time you'll save, not having to enter the votes you've received through email, or all that time collecting votes from people, or chasing up missing votes.

- Select the voters
- Only the administrator will see the votes
- Set-up your voting method (e.g 3, 2, 1)
- A cumulative vote tally displayed
- Export votes via CSV file for Excel

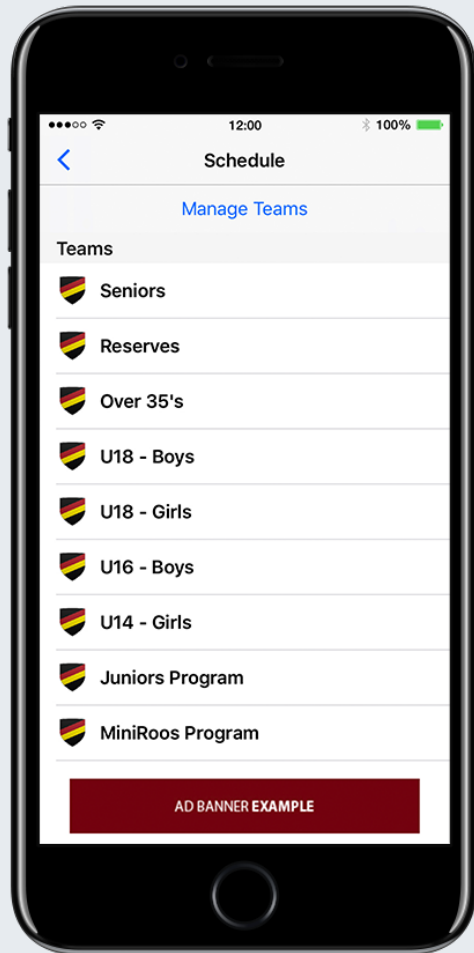

MEMBER DETAILS

Have instant access to your entire member database.

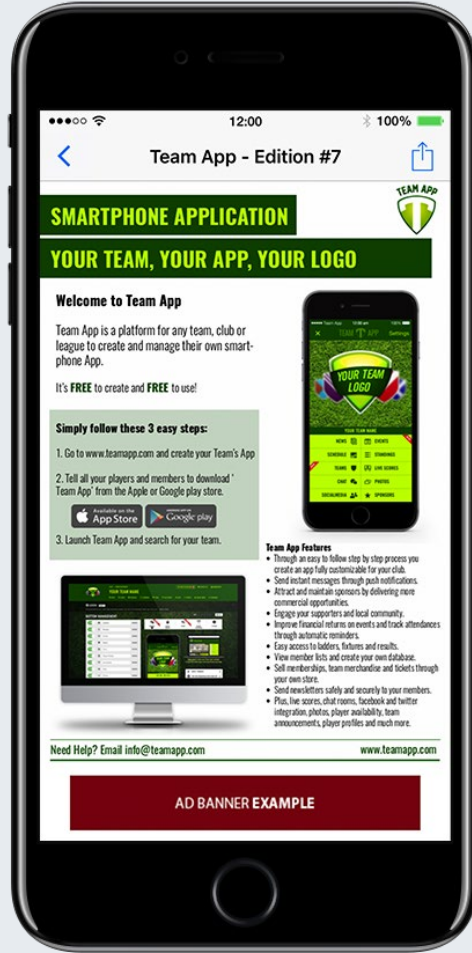

- Digital Database
- Member Contact Details
- Emergency Contacts
- Medical Concerns / History
- Membership Reports
- Purchase History (store + tickets)

MORE FEATURES

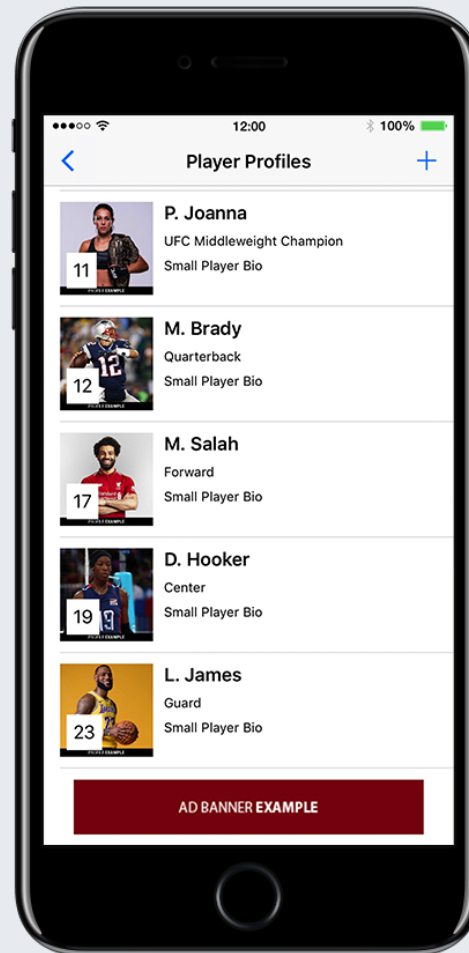

More features to give your club all the tools required to have the **one-stop** shop for all your communication needs.

AD BANNERS

Team App is absolutely **FREE** with no set-up, download or usage costs, with Team App's development and maintenance funded by unobtrusive ad banners.

- Purchase your ad space for **AUD\$299 yearly** OR **\$29 M2M**
- Create as many ads as you wish using our simple template.
- No advertising other than the ads you create will be shown.
- If you buy your ad banners and don't create any ads, no advertising will be shown.
