

18:59:01 From Katy Smith Waverley : Great idea to have a LAVic Development Officer

19:01:52 From Malc Duncan : I think the Centre Visits from previous years did depend on the individual.

19:02:41 From Wayne Mangion : Can the Development Officer rake a pit? :)

19:03:42 From Ashley Williamstown : Centre visits in the past with "clip board" did provide new eyes on how centre are run and provided positive feedback, that has been implemented to further improve the product provided.

19:05:16 From Susan Taylor : Are there many centres that offer race walking without coaches/judges and if so, what support are they receiving or can e offered to them?

19:08:16 From Malc Duncan : Fat Ar... Hill is a term that has been given to those parents.

19:08:37 From Nicole George : Really keen to be involved in discussions reviewing under 13-16 age group. I know it was mentioned in the one athletics session earlier this week but feel we need to do something now. Our centre is not alone losing kids to school sport, AV (and in most cases don't enjoy AV so give up all together - don't come back to us) or leave because the under 14, 15-16 age groups start looking so bare.

19:11:11 From Elisabeth Albury : There was a clinic offered 2 seasons ago at Collingwood for race walking judging I believe

19:12:55 From Ashley Williamstown : Agree Susan all training and coaching courses are held far to early in the season. Jan and Feb is the best time.

19:16:20 From Katy Smith Waverley : Interesting in NSW they have age group up to U17 - do they have trouble keeping teenagers involved ?

19:17:36 From Elisabeth Albury : One of the Albury athletes joined ACT so they could do Under 17s with Little Aths as the AV offering didn't appeal to them once they finished Under 16s with us.

19:26:14 From Malc Duncan : We probably should get the athletes together to see what they would like. Its also about the social side when they are not competing too. All athletes have different needs. Always a risk to specialise to early for athletes.

19:37:19 From Cindy McDougall Camperdown : My Centre president has asked how we go about getting a visit? She noticed that Rob had come directly past our centre to visit two other Region centres and has asked if I could request one for the coming season please.

19:40:04 From Cindy McDougall Camperdown : Pavilion

19:40:50 From Cindy McDougall Camperdown : As warrnambool

19:41:01 From Cindy McDougall Camperdown : Same time

19:41:20 From Cindy McDougall Camperdown : Awesome thank you!

19:42:21 From Linda Fraser : Thanks for the week

19:43:46 From Linda Fraser : The season is exactly harvest too!

19:48:18 From Fiona Melton City : Thanks so much for tonight and the weekly sessions.

19:48:22 From Katy Smith Waverley : Thanks Rob, Anthony and everyone

19:48:26 From Ashley Williamstown : Thank you. Been a great week.

19:48:28 From Malc Duncan : Thanks Rob

19:48:47 From Wayne Mangion : Thank you everyone. Time to watch the Tigers!

19:48:50 From Malc Duncan : How many Yarra people in the call?

19:48:56 From Elisabeth Albury : Thanks Rob & LAVIC team

19:49:07 From Susan Taylor : Thanks for a great presentation and interesting discussion session.
