

20:26:36 From Katy Smith Waverley : What Software to use for creating Facebook posts ?

20:27:47 From Linda Fraser : Linda - Ballarat

Tips / How are you managing who has access to each platform - do you restrict who can post/ share info. Facebook, sports TG, Instagram, website

20:27:50 From Kirsten @ Corio : Tamika, I had to firstly unlink my personal Instagram from the centre one, then you will have separate logins

20:28:22 From Shane Bicknell WCR : will LAVic be doing print run of flyers that we had a couple of years back or should we print our own?

20:29:39 From Tameeka (WHITTLESEA CITY lac) : I use Canva and it's quite good

20:30:28 From Tameeka (WHITTLESEA CITY lac) : Also...PowerPoint slides can be used and saved as a JPEG image

20:30:49 From Dean McCaughan Cranbourne LAC : Sorry Kim having some connection issues!

20:31:14 From Little Athletics Victoria : Thanks Dean. I feel your pain.

20:31:26 From Nicole George : Is anyone sending weekly newsletters to members and if so what platform are you using?

20:32:19 From Ashley WLAC : Weekly newsletter sent via team app as a pdf, based on a word template.

20:40:01 From Elisabeth Albury LAC : Game Day - for the reasons Kim mentioned and we love the custom template she helped us set up!

20:41:07 From Linda Fraser : We are currently reviewing if we will continue with a newsletter. Last season our news was a live video via a private Facebook group.

We use team app most of the time for everything.

20:41:53 From Katy Smith Waverley : Local Leader Newspapers now part of herald sun subscription, so not as user friendly to getting articles out about our centre. Are regional based newspaper still free to access?

20:43:02 From Elisabeth Albury LAC : Katy - unfortunately not. I pay for a subscription and share the article to our pages that way but encourage parents to buy the paper if their child featured in it

20:45:43 From Ashley WLAC : We also find that sending coms at same time each week so our members now that Wednesday night expecting coms for the upcoming week.

20:47:12 From Elisabeth Albury LAC : that's how we get ours in and we take the photos for them too lol
