A simple, end-to-end solution for managing Little Athletics

**timing**  
SOLUTIONS

# A reminder of what we do...

**Timing Solutions uses technology to provide Little Athletics (LA) clubs around Australia with an end to end solution including:**

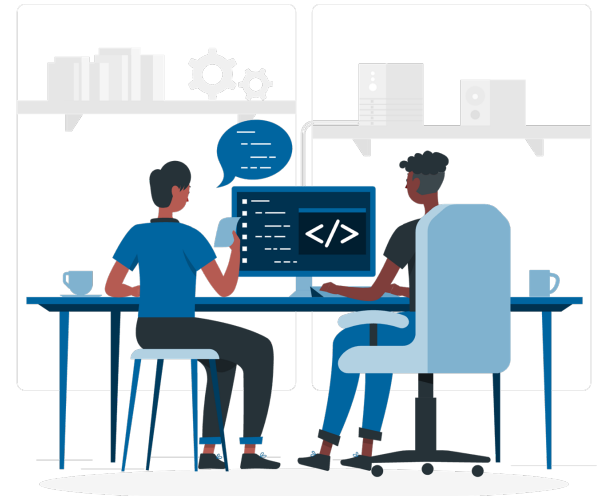

1. **Centre Management** (Incl: Race day scheduling, Event nominations, Volunteer rosters, Flexible points calculations)
2. **Timing** (Automatic and manual timing options integrating into the results platform)
3. **Results** (National results database with reporting options for States, Centres/Clubs and families. It also includes paper or paperless options for results entry)
4. **Reporting** including results, attendance, points and age/gender champions

## **Our Key Priority**

- To provide Little Athletics with user-friendly technology tailored specifically to the needs of the sport, reduce the effort required at the Centre level and improve the experience for Centres/Volunteers, Families and Athletes in order to help grow the sport.

# Timing Solutions has experienced some significant change & growth over the last 12-24 months

- Our recent growth has led to a refined organisational structure, enhancing our ability to serve you better.  
*(See following page for details)*
- Our enhanced structure now provides:
  - **Clear Direction:** Enhanced focus and goals.
  - **Focused Expertise:** Specialised skills for better service.
  - **Reduced Distractions:** Streamlined processes for efficiency.
  - **Increased Efficiency:** Faster responses and improved solutions.

*We thank you for your patience as we progress through these changes.*
